Monday 9/18-Ceramics 1-(P1-4)

daily agenda

Everyone should be working on their PINCH POTS TODAY! Don't waste valuable class time.

1. Check project for plasticity. Perfect? Resume. Too dry? add water & get clay workable again. Need more clay? Cut from the block.
2. Work on forming the pinch pot; check for thickness; SMOOTH; adding detail work (subtractive/additive) & applying great craftsmanship! Recheck RUBRIC!
3. When you think you are finished, carve your name/period number in the base- then wait until I return to check your piece to turn in to dry! DO NOT LET DRY!!!
4. If you have questions- ask a peer for guidance-recheck rubric or wait until I return to school Tuesday to see your work.

Monday 9/18-Ceramics $\frac{2}{3}$ -visual journals!

-Please take out your visual journals.
